PROFESSIONAL EXPERIENCES

Psychologist, Flagstaff Counseling Center, Flagstaff, Arizona 09/02-Present

Partner in an established group practice that specializes in the treatment of adolescents and families. Areas of specialization include adolescent and family therapy, couples therapy, sexuality issues, workplace counseling, substance abuse, and clinical supervision. Provide psychological, pre-employment, and vocational assessments. Manage employee assistance program contracts for the group practice, including utilization data analysis. Provide critical incident stress management services for law enforcement, firefighters, and business organizations.

Instructor, Department of Educational Psychology, Northern Arizona University, Flagstaff, Arizona 01/03-05/07

Taught graduate courses in Assessment and Diagnosis and Personality Adjustment in the Community Counseling program.

Instructor, Department of Psychology, Northern Arizona University, Flagstaff, Arizona 08/06-05/07

Taught a large undergraduate course in the Psychology of Sexuality.

Professor and Director of Clinical Training, Clinical Psychology Program, Argosy University/Phoenix, Phoenix, Arizona 09/99-08/02.

Served as a full Professor in an APA-Accredited doctoral program in Clinical Psychology. Taught graduate courses in Family and Marital Therapy, Personality Assessment, Cognitive Assessment, Cultural Diversity, and Practicum. Chaired the Clinical Training committee and coordinated over ninety practicum placements. Assisted over twenty-five students each year in obtaining predoctoral internships. Participated in the process of obtaining APA accreditation of the doctoral program. Served as Interim Dean of the Arizona campus during a leadership transition.

Psychologist, Private practice in Tempe, Arizona 07/91-10/99.

Provided inpatient and outpatient individual, couples, and family psychotherapies in private practice. Areas of specialization included psychological assessment, couples counseling, sex therapy, AIDS, juvenile delinquency, career change, and sports psychology. Served as a leader in the development of PsyNet Behavioral Health.

Faculty, Master's in Counseling program, University of Phoenix, Phoenix, Arizona 03/96-08/99.

Taught graduate courses in Human Sexuality, Psychometrics, Personality Theory, and Group Counseling. The curriculum was designed for returning professionals, based on an adult development learning model.

Faculty Associate, Counseling Psychology program, Arizona State University, Tempe, Arizona 09/87-05/98.

Taught graduate courses in Human Sexuality, Personality Assessment, Personality Development, Occupations and Careers, Group Psychotherapy, and Practicum.

Team Counselor, Arizona Cardinals, Tempe, Arizona 06/95-03/97.

Provided counseling and other sports psychology services for professional football players and their families. Helped the players return to school to finish their degrees. Assisted in the selection of new players in the National Football League draft.

Psychologist, Counseling and Consultation, Arizona State University, Tempe, Arizona 07/86-06/91.

Provided clinical, training, and consulting services at a culturally diverse university. Predoctoral internship program received full APA accreditation. Supervised and trained interns and doctoral students, with particular expertise in clinical assessment and group psychotherapies. Created an undergraduate Paraprofessional Training course and field placement program. Taught Career Planning and Decision-making courses. Conducted over one hundred outreach presentations and training workshops. Consulted with the Residence Life system on emergency mental health and organizational development issues.

Developed a comprehensive record keeping and data collection system for the agency, which served as a database for programmatic research and agency policy analysis.

Intern, Counseling Center, University of Maryland, College Park, Maryland 07/85-06/86.

Completed an APA-approved predoctoral internship program that emphasized university counseling center training. Individualized the internship by requesting advanced training in process group psychotherapy, career counseling, and publishable research. Provided weekly dyadic consultation to residence hall directors.

Graduate Assistant, University Counseling Center, Colorado State University, Fort Collins, Colorado 08/84-05/85.

Provided psychotherapy with individuals and couples, group therapy, career/lifestyle counseling, consultation and training with residence hall staff, outreach presentations, and primary crisis intervention coverage on the campus emergency system.

Residence Hall Coordinator, Upward Bound Program, Colorado State University, Fort Collins, Colorado 05/84-08/84.

Coordinated the counseling and residence life components of an academic enrichment program for disadvantaged high school students, most of whom were Hispanic. Created and led structured counseling groups on developmental, sex role and cross-cultural issues. Supervised a multicultural staff of six counselors.

Graduate Assistant, Career Development Program, University Counseling Center, Colorado State University, Fort Collins, Colorado 08/83-05/84.

Interpreted vocational and personality testing and provided career/lifestyle counseling for over 100 students and alumni. Responsible for the supervision of two paraprofessionals. Did outreach presentations, evaluation research, and program administration. Consulted with the Academic Advancement program, which was an educational enrichment program for minority students on campus.

Graduate Assistant, Office of Academic Advising, Colorado State University, Fort Collins, Colorado 08/81-08/83.

Provided academic and vocational counseling to over 500 students changing their academic majors. Conducted longitudinal research on academic choice behavior.

Case Manager, Adolescent Day Hospital Program, Mercy Medical Center, Coon Rapids, Minnesota 04/80-07/81.

Provided case management and treatment services for emotionally disturbed adolescents and their families in a psychiatric outpatient hospital program. Developed an assessment

instrument to measure the degree of abusive chemical behavior among adolescents with identified alcohol and drug problems.

Peace Corps Volunteer, Ministry of Education, Kingston and rural communities, Jamaica
08/79-02/80.

Assigned to the Guidance and Counseling Section of the Ministry of Education to train school counselors in rural Jamaica. Trained community professionals in sexuality education and group counseling approaches within the context of the Jamaican culture.

Outreach Counselor, Detached Workers Program, Northwest YMCA, Crystal, Minnesota 06/74-7/77.

Provided counseling and social work services for troubled youth and their families, emphasizing a “street work” approach to helping kids involved with the juvenile justice system. Services included family counseling, in-school behavior modification groups, crisis intervention, and advocacy in Juvenile Court.
